

Jim White is the owner and founder of Sound Pro, a small business that he has operated for the past 32 years. He began the business as a young man and through hard work and dedication, grew the business into an establishment that is both customer and employee friendly. He has been a shining example of a hard-working and reliable businessman.

In addition to his dedication to the local business community, Mr. White has a special concern for the local young people. After reading a newspaper article about a local girl in need of a kidney transplant, he didn't hesitate to get tested as a potential donor. Upon hearing that he was a perfect match, Mr. White generously and selflessly gave his kidney to the young girl in order to save her life.

Mr. White is not only a generous local businessman, he also actively gives his time as a volunteer for many community organizations. He currently serves as a board member and also participates as a Big Brother mentor himself. Jim is a positive influence and great role model for these boys as well as the rest of his community.

Outside of Big Brothers and Big Sisters, Mr. White also willingly donates his time to mentor those in the community struggling with substance abuse and addiction. Despite his extremely busy schedule, he puts a high priority on encouraging and supporting people in the community from all walks of life. This support is also shown by his service as a member of the board of directors of the Wellspring Treatment Center, a local nonprofit agency that provides treatment and services to young people struggling with behavioral, emotional and chemical dependency problems.

In addition to all of his other commitments, Mr. White is the chairman of the Military Affairs Committee for the Rapid City Chamber of Commerce. He is extremely dedicated to this position and has even been given the title of "Honorary Commander" for the Ellsworth AFB Wing Commander.

This honorable recognition is clearly well-deserved. It is dedicated folks like Jim who make up the backbone of South Dakota's communities and it gives me great pleasure to commemorate Jim White on this special occasion and to wish him continued success in the years to come.●

REPORT OF AN EXECUTIVE ORDER BLOCKING THE PROPERTY AND INTERESTS IN PROPERTY OF PERSONS DETERMINED TO HAVE BEEN INVOLVED IN THE CORRUPTION OF SENIOR OFFICIALS OF THE GOVERNMENT OF SYRIA—PM 38

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States, together with an accompanying report; which was referred to the Committee on Banking, Housing, and Urban Affairs:

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act, as amended (50 U.S.C. 1701 et seq.)(IEEPA), I hereby report that I have issued an Executive Order taking additional steps with respect to the Government of Syria's continued engagement in certain conduct that formed the basis for the national emergency declared in Executive Order 13338 of May 11, 2004, including but not limited to its efforts to undermine the stabilization and reconstruction of Iraq.

This order will block the property and interests in property of persons determined by the Secretary of the Treasury, after consultation with the Secretary of State, to be responsible for, to have engaged in, to have facilitated, or to have secured improper advantage as a result of, public corruption by senior officials within the Government of Syria. The order also revises a provision in Executive Order 13338 to block the property and interests in property of persons determined by the Secretary of the Treasury, after consultation with the Secretary of State, to be responsible for or otherwise significantly contributing to actions or decisions of the Government of Syria that have the purpose or effect of undermining efforts to stabilize Iraq or of allowing the use of Syrian territory or facilities to undermine efforts to stabilize Iraq.

I delegated to the Secretary of the Treasury the authority to take such actions, after consultation with the Secretary of State, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA as may be necessary to carry out the purposes of my order.

I wish to emphasize, as well, my ongoing concern over the destabilizing role Syria continues to play in Lebanon, including its efforts to obstruct, through intimidation and violence, Lebanon's democratic processes.

I am enclosing a copy of the Executive Order I have issued.

GEORGE W. BUSH.

THE WHITE HOUSE, February 13, 2008.
